## INDEPENDENT AUDITOR'S REVIEW REPORT

To the Unit Holders of Al Rayan Qatar ETF  
Doha – Qatar

### Introduction

We have reviewed the accompanying interim condensed financial statements of Al Rayan Qatar ETF (“the Fund”) which comprise the interim condensed statement of financial position as at 31 March 2022, and the related interim condensed income statements for the three month period ended 31 March 2022, interim condensed statement of changes in net assets attributable to the unit holders, interim condensed statement of cash flows and statement of sources and uses of charity funds for the three-month period then ended, and certain explanatory notes. The Manager of the Fund is responsible for the preparation and presentation of these interim condensed financial statements in accordance with the Financial Accounting Standards issued by the Accounting and Auditing Organisation for Islamic Financial Institutions (“AAOIFI”). Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of the interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not presented fairly, in all material respects, in accordance with the Financial Accounting Standards issued by the AAOIFI.

#### **2. BASIS OF PREPARATION (CONTINUED)**

##### **(a) Statement of compliance (continued)**

The interim condensed financial statements do not contain all information and disclosures required in the annual financial statements, and should be read in conjunction with the Fund's annual financial statements as at 31 December 2021. In addition, results for the three-month period ended 31 March 2022 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2022.

##### **(b) Basis of measurement**

These interim condensed financial statements have been prepared under the historical cost convention, except for investment securities classified as fair value through income statement which are carried at fair value.

##### **(c) Functional and presentational currency**

These interim condensed financial statements are presented in Qatari Riyals ("QAR"), which is the Fund's functional and presentational currency.

##### **(d) Use of estimates and judgments**

In preparing these interim condensed financial statements the Fund Manager has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

##### **(e) Going concern**

The Fund's management has made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, the management is not aware of any material uncertainties that may cast significant doubt upon the Fund's ability to continue as a going concern. Therefore, the financial statements continue to be prepared on the going concern basis.

### 3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies applied during the three month period ended 31 March 2022 are the same which had been applied during the year ended 31 December 2021.

#### (a) New standards and interpretations

##### (i) New standards, amendments and interpretations effective from 1 January 2021

###### *FAS 38 Wa'ad, Khiyar and Tahawwut*

AAOIFI has issued FAS 38 in 2020. The objective of this standard is to prescribe the accounting and reporting principles for recognition, measurement and disclosure in relation to Shari'ah compliant Wa'ad (promise), Khiyar (option) and Tahawwut (hedging) arrangements for Islamic financial institutions.

This standard is effective for the financial periods beginning on or after 1 January 2022 and has no material impact on the Fund's financial statements.

##### (ii) New standards, amendments and interpretations issued but not yet effective

The Fund has not yet applied the following new and revised FASs that have been issued but are not yet effective:

###### *FAS 39 – Financial Reporting for Zakah*

AAOIFI has issued FAS 39 in 2021. This standard improves upon and supersedes FAS 9 “Zakah” issued previously. This standard aims at setting out the accounting treatment of Zakah in the books of an Islamic financial institution, including the presentation and disclosure in the financial statements.

This standard shall be effective for the financial periods beginning on or after 1 January 2023 with early adoption permitted.

###### *FAS 1 – General Presentation and Disclosures in the Financial Statements (Revised 2021)*

AAOIFI has issued FAS 1 (Revised) in 2021. The revised FAS 1 “General Presentation and Disclosures in the Financial Statements” describes and improves the overall presentation and disclosure requirements prescribed in line with the global best practices and supersedes the earlier FAS 1. The objective of this standard is to align the accounting treatments and the reporting requirements for the Islamic financial institutions to the maximum possible extent with the generally accepted accounting principles without compromising the Shari'a requirements and nature of Islamic financial transactions and institutions.

This standard shall be effective for the financial periods beginning on or after 1 January 2023 with early adoption permitted.

#### 4. FINANCIAL RISK MANAGEMENT

The Fund's financial risk management objectives and policies are consistent with those disclosed in the financial statements as at and for the year ended 31 December 2021.

##### (i) Valuation of financial instruments

The Fund uses the following hierarchy for determining and disclosing the fair value of financial investments by valuation technique:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities;
- Level 2: Valuation techniques based on observable inputs, either directly (i.e. as prices) or indirectly (i.e. derived from prices). This category includes instruments valued using: quoted market prices in active markets for similar instruments; quoted prices for identical or similar instruments in markets that are considered less than active; or other valuation techniques where all significant inputs are directly or indirectly observable from market data.; and
- Level 3: Valuation techniques using significant unobservable inputs. This category includes all instruments where the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation. This category includes instruments that are valued based on quoted prices for similar instruments where significant unobservable adjustments or assumptions are required to reflect differences between the instruments.

Financial assets at fair value through income statement are valued as per Level 1 valuation method.

### 12. IMPACT OF COVID-19

The rapid spread of the coronavirus (“COVID-19”) pandemic across the globe is causing disruptions to businesses and economic activities. The interim condensed financial statements of the Fund, which are prepared by the management, has reflected the impact of COVID-19 on the financial assets of the Fund, particularly on the assets carried at fair value through income statement, which comprise a significant portion of the Fund’s total asset portfolio. However, the economic conditions remain volatile and the recorded amounts remain sensitive to market fluctuations.
